Check-6 Gear - Your Source for Hand-Crafted Aviation Models

Samples of some of our custom models

Check-6 Gear models are custom made for our customers. The models shown in this brochure are just a few samples of the items we have produced. Please keep in mind that we can produce any aircraft or helicopter model. Detailed photos and specifications may be required to insure the model is of the highest fidelity.

Each one of our models is hand made to individual specifications. Due to the unique nature of our hand crafted models, our orders take time to manufacture. Average production time is 4-6 months from date of order.

Please contact us at **443-454-7622** with any questions.
